

The Militia of the Immaculata

Knights of the Immaculata,

I would like to take this opportunity to tell you some important news relating to the MI and formally announce that the Militia of the Immaculata (MI) has found a new home.

We have begun a new chapter in our history; this is a beautiful moment of time that will be cherished hopefully for many years to come. We have received the blessing to be collocated, united with the Ave Maria University (AMU).

We have graciously been given an office within the Museum of St. Mother Teresa on the AMU campus. Our new National Center for the MI will be in Ave Maria Florida on the campus of AMU. Our support for all our MI members will not change. We will stay united in prayer with all MI members and continue to share the love and inspiration of Saint Maximilian Kolbe.

We will complete our move hopefully by 1 December. Our new address is (Militia of the Immaculata, 5251 Clancy Ave. Ave Maria Florida 34142)

I would like to inform you of two other important events that are coming up that you may be interested in. The first is the MI International Call of the Elective Assembly that will be happening in Rome, 27 – 30 November 2025. The Countries that have an approved MI National Center will be sending representatives to vote for our International President, Vice President and Council. The International Center is our governing body, which provides the General Statutes for the MI and the interface with the Holy See.

The second upcoming event is the U. S. National Center General Assembly to be tentatively held August 2026 on the Campus of AMU. This will be the assembly to vote for our MI National President, Vice President and Council. If you are interested in attending, please email the National Center by 31 March 2026, as you will need to be registered to vote, either in person or online. Only MI members will be allowed to vote. Also, if you would like to be considered for the office of President, Vice President or Council member please send in a brief biography or resume, not to exceed a half page about yourself and your qualifications to give all our voting members a brief synopsis of who you are. This must be received at the National Center by end of February 2026 to ensure we can publish it and send it to all our voting members. Late submissions will not be accepted.

We are happy to announce that the Militia of the Immaculata has established a Brokerage account and is now able to accept donations of securities (stocks and bonds). If you would like to donate to the MI and want to avoid paying tax on your RMD's we can now help with a Qualified Charitable Distribution which allows you to avoid the tax. If you are interested, please contact the MI National Center for more information.
