Mr. Miquel Bordas
International President
Militia of the Immaculata

Subject: Formal Endorsement of the Protocol for the Protection of Minors and Vulnerable Persons

Dear Mr. Bordas,

In my capacity as the National President of the Militia of the Immaculata (M.I.) in the United States, I am writing to formally and wholeheartedly endorse the **Protocol of the Association "Militia of the Immaculata" for the Protection of Minors and Vulnerable Persons, as well as for the Prevention of Sexual Abuse and for the Reporting of Abuse.**

The M.I. in the United States recognizes this Protocol not merely as a set of regulations, but as a foundational mandate that aligns our Association with the "zero tolerance" policy of our founder, St. Maximilian Kolbe. We affirm that establishing a robust "culture of safeguarding" is essential to our mission and our fidelity to the Church.

We acknowledge the International Center's submission of this Protocol to the Holy See via the Dicastery for the Laity, Family and Life. The M.I. National Center in the United States commits to the full implementation of this Protocol, including the localization of these guidelines to comply with U.S. civil and canonical laws.

We stand in full solidarity with the International Presidential Council in ensuring that by 15 July 2026, these vital safeguards will be fully operational within our National Center.

Sincerely in the Immaculata,

Ronald Rodrigues
U. S. MI National President

To: All Members, Spiritual Assistant, and Volunteers of the M.I. in the United States

From: The National President, M.I. USA

Subject: Immediate Application of Safeguarding Standards

Dear Knights of the Militia of the Immaculata,

Following the International Election Assembly in Rome, I am writing to formally present the Protocol for the Protection of Minors and Vulnerable Persons. This document is now the official standard for the Militia of the Immaculata in the United States.

It is essential to understand that these guidelines are to be applied to everything we do. Whether at a local village meeting, a national conference, a youth retreat, or online engagement, the principles of this Protocol must be followed without exception.

What this means for all MI USA members:

Universal Application: The standards of conduct outlined in the Protocol apply to every member and adult leader involved in our activities.

Zero Tolerance: In keeping with the charism of St. Maximilian Kolbe, we maintain a zero-tolerance policy for abuse and a mandatory requirement for reporting any concerns through the established National Complaints Office.

Mandatory Compliance: Full implementation—including localized vetting and training programs—is moving forward immediately, with a final completion deadline of **15 July 2026**. Our mission to "win the world for Christ through the Immaculata" requires that we be beyond reproach in our care for the "least of these." We are all responsible for maintaining this environment of safety and trust.

We thank you for your immediate attention to these standards and for your continued dedication to the Immaculata.

Yours in the Immaculata,

Ronald Rodrigues
National President, M.I. USA
