

Daniel GRIFFIN's letter/bio

Hello MI!,

What business does a rookie Catholic convert, new to the MI have running for national office?

None really, alone by my own account.

I do have experience in leadership roles professionally and served at the state level for one of my professional associations for two terms and I am a veteran of the US Navy. Do these qualify me, a wretched sinner? Maybe! But my personal reason for saying yes is that I believe I was brought here, to this moment through Our Blessed (known in these parts as Holy Guadalupe), under direction of the Holy Spirit. My real qualifications are my Baptism into the Holy Roman Catholic Church, my formal and daily renewal of my vows of Consecration to Our Almighty God, Jesus through Our Blessed Mother, St Francis de Assisi, St Benedict, St Faustina, and St Kolbe. My sincere love for Our Mass and specifically Our Blessed Sacrament, The Eucharist qualify me!

I probably haven't prayed as much, or know as much about doctrine as seasoned brothers and sisters but you can be assured I will make no decision on behalf of this beautiful organization without consulting with the Holy Souls and Spirit mentioned above.

I am an anesthesiologist by day, I regularly go to mass and have added weekday mass too! I am a Member of The Knights at the Foot of the Cross and have attended their weekly Rosary on occasions and will do so tonight! I am a member of the Knights of Columbus here at Divine Mercy Catholic Church of the Diocese of Laredo, TX. I am also a member of Knights on Bikes and Catholic Crossbearers Motorcycle Ministry. Mostly, I am a slave of Madre Maria and I am called to humbly serve.

Thank you, I am grateful to step through my fear and submit this with Faith

Sincerely,

Daniel F. Griffin CRNA, MSN, APRN
