

*Mrs. Donna Masek's BIO*

*My name is Donna Masek, and I would like to be considered as a nominee for the MI National Council. Now completing my first term on the Council, my husband and I have been active members of both the MI and the Father Kolbe Volunteers of the Immaculata for thirty years. Since making my consecration in 1998, the Immaculata has used my consecration both in parish ministry, earning a Woman of the Year award in 2014, and at the Diocesan level as a member of the Diocesan Respect Life Commission. These avenues have allowed me to represent the MI as a moderator of four villages, two currently active, organize parish missions with MI speakers, as well as host MI ministry tables at Diocesan conferences. It has been a tremendous blessing to work with other National Council members, currently serving as its MI National Secretary, facilitate the renewal of the parish consecration kit, and help others join the MI through online enrollments. It is with hope that the Immaculata will allow me to serve a second term on the Council to "extending as far as possible the blessed kingdom of the Most Sacred Heart of Jesus."*
