Professional and Community Leadership Profile

Faith-Based Leadership and National/International Service

Dedicated leader in good Catholic standing with an extensive background in ministry leadership spanning international, national, and local levels. Currently provides direct strategic and administrative support to the Militia of the Immaculata (MI) International President at the General Headquarters in Rome, recently representing this office at the MI International Assembly in Rome. Previously served as a council member for the MI USA National Council, where efforts focused on the development of young adult outreach and serving as the village coordinator and moderator for the DC Young Adult MI Village.

Parish and Pro-Life Advocacy

Deeply committed to parish life and the pro-life movement, currently serving as the lead for the parish Respect Life committee and as a Coordinator for youth ministry. Actively contributes to the women's ministry and maintains a strong track record of parish governance and consultative leadership, having served as a council member for a former parish. Expertise includes organizing large-scale advocacy efforts, cultivating community fellowship, and providing values-based mentorship for young adult and youth initiatives.

Federal Government Operations and Strategic Analysis

Accomplished federal professional with over 15 years of experience managing multimillion-dollar scientific and operational portfolios. Expert in architecting enterprise-level budget tracking systems and navigating complex agency structures from the federal government agency levels down to specific line offices. Distinguished background in program and facilities management, with specialized authority over physical infrastructure and foreign national security protocols. A strategic analyst recognized for aligning high-level fiscal policy with organizational mission goals while maintaining the highest standards of data integrity and regulatory compliance.
